

WAIVER AND RELEASE OF LIABILITY

I have read, understand and agree to the following terms and conditions before using the services of the St Croix Valley Drones Pilot.

1. **I HAVE PERMISSION TO BE ON PROPERTY:** I have legal permission from the property owner to be on this land and grant permission to the St Croix Valley Drones Pilot to be here for the duration of the recovery.
2. **I SHOT A DEER:** I affirm that I have shot a deer and believe it to be dead or mortally wounded. I understand the service being provided is locating a deer carcass only and not aiding in hunting any living deer.
3. **I WILL REFRAIN FROM HUNTING:** If the deer is found to be alive, I agree not to hunt or pursue any deer on the property until the following day.
4. **I WILL ENSURE THAT NO WEAPONS ARE PRESENT:** Your safety is very important to us! There can be no weapons in the close vicinity. We are not hunting. This would automatically disqualify us as performing a Recovery. It would also further put us both in a position to violate State Game Laws. I cannot put you or our business in that situation.
5. **LIABILITY RELEASE:** I release St Croix Valley Drones, its employees, agents, representatives, and affiliates from any claims or liabilities that may arise from the service.
